

NEW ITEM INFORMATION

TOE BOARDS U- SUPPORT AND TUBULAR SUPPORT ROLLED INTO ONE REALLY GREAT

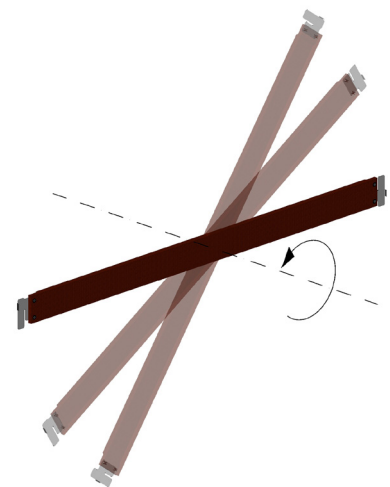

Toe boards for use with U- support as well as with Tubular – support – decks in modular scaffoldings. In combination with decks, please use the right height of Toe boards. The Toe boards are largely compatible with other Toe boards.

Code	Articel	Dimension (cm)	Weight
5F00327257	Steel-Toe board	L257	7.0 kg
5F00328257	Timber-Toe board	L257	4.7 kg
5F00329257	Alu-Toe board	L257	3.4 kg

YOUR ADVANTAGE

- Always the right placement in terms of the height
- Usable in combination with decks for tubular support as well as U-support
- One component for both systems
